

COVID STATEMENT

We are following the government's guidelines and also taking extra precautions of our own.

Our customers' and staff's safety is priority.

There will be more space between tables and extra time between reservations.

Hand sanitisers are provided on each table and in the bathroom. Hand sanitisers, face covering and disposable gloves for staff are provided.

Extra cleaning is added to our schedule – in addition to sanitizing all surfaces regularly, menus and chairs will be wiped after each guest, sanitizing wipes will be provided.

Staff training will be regularly organized to keep up to date with the extra measures.

Vases, salt and pepper shakers and candle holders won't be on the tables to minimize contact with surfaces. Salt and pepper will be provided on request.

We are asking guests to keep their coats on the chairs or hang them on the coat hanger themselves so to avoid handling personal belongings.

Contact details are stored on the ResDiary booking system for track and trace.

Please do not come to the restaurant if you feel unwell and exhibit any symptoms associated with Covid. Please let us know if you need to cancel your reservation. There is no cancellation fee.

Please wear a face covering unless seated.

We hope you will feel comfortable at our restaurant and are looking forward to welcoming you soon.

Thank you for your support and cooperation!
